

IN THE SPECIFICATION

Please replace paragraph [0003] on page 1 with the following amended paragraph:

[0003] Examples of these sit-stand stools are sold by the company SteelcaseTM under the name B FreeTM (www.steelcase.com). This stool comprises a base made of a flexible material which allows a user to incline the stool at various angled positions in various directions while performing a task. The stability of the stool is maintained by means of the grip of the flexible material to the floor.
